

MONTINORE ESTATE

Vivacé

Montinore Estate's Italian roots run as deep as those of the Marchesi family. With a reputation for sustainably producing unique, estate-grown Italian varietals, Montinore Estate proudly carries on the traditions of the Old World.

To honor our love of Italian wines and continue the legacy and ingenuity of the Marchesi family, we have created the Vivacé collection, featuring **Vivacé Prosecco** and **Prosecco Rosé**, produced in Northern Italy.

Prosecco DOC

Certified Organic by Valoritalia S.R.L.

Pale straw in color, Vivacé Prosecco DOC opens with aromas of lemon zest, white flowers and pear. Vibrant citrus flavors on the entry introduce white peach, lemongrass, honeysuckle and melon on the palate. The balanced acidity and body allow for a lingering finish.

Prosecco Rosé DOC

An intense bouquet of strawberry and peach on the nose introduces flavors of fresh raspberry and white flowers. The palate is dry and well-balanced by the rich, full-bodied structure.
